

# Mental and Spiritual Health in the End of Time

While the overriding theme of this series is the human mind, we will begin with the fall of Lucifer. This most excellent created being began to corrupt himself with faulty thinking, which led to outright rebellion against God. Tragically, his evil spirit has poisoned our little world. All the wars, assaults, rapes, crude jesting, violence, and immorality is due to our fallen nature and faulty thinking. If we could become born again and receive a renewed mind, we could become the salt of the earth, and help to bring healing to suffering humanity. The new birth experience makes thinking right and from this follows all our behaviour and the development of a Christlike character.

**Friday 1st**

### **How the Great Controversy Began**

How did Lucifer, the highest of created beings in the universe become Satan, the enemy of God? It began with some distorted thought that led to distorted views of God and himself. He would no longer submit to the will of his Creator.

**Sabbath 2nd**

### **The Sovereignty of God**

God not only created more than 200 billion galaxies in our universe, but He also holds it together. It is God who created and sustained all life. Therefore, it is essential that we overcome our self-sufficiency, and allow God to guide us and supply every need.

**11.30pm**

### **Forgiveness and the Renewed Mind**

It is a wonderful thing to experience God's forgiveness and to be free from guilt. But God's forgiveness is more than being forgiven for past sins, it is to receive a renewed mind. With a renewed mind we can begin to live a new life.

**3:00pm**

### **Evidence of the Renewed Mind**

Evidence of a renewed mind is manifested in our desire to eat more of God's Word, to commune with Him in prayer and the desire to tell others about Jesus..

**4:30pm**

### **Sculpting the Brain**

Every thought produces a chemical reaction in the body. A thought travels through your brain, neural activity takes place and actually changes your neural structure. You are sculpting your brain by what you think. New thoughts produce new connections and behavior. We become a new creation in Christ Jesus.
