

# Do You Feel the Shaking?

Undisputedly we live in the crumbling toes of Earth's history described by prophet Daniel as the 'time of the end'. The events that will soon take place, will exceed in every respect, what has happened before in the history of our world. It will all happen as God allows it to. It is the climax of the battle between God and Satan! Come and join Pastor Justis St Hilaire as he leads us through the coming period of Earth's history and gives us encouragement to stay strong, be faithful and be ready to meet Jesus at His Second Coming.

Pastor Justis St. Hilaire has served for the last 10 yrs. as the British Columbia Conference Evangelist. His responsibilities have also included pastoral care for two churches located in Cherryville and the Silver Hills Health Retreat. Previously, Pastor Justis has also served in the Alberta Conference as evangelist and pastor, as well as the Newfoundland Conference on the east coast of Canada. His lovely wife Roseann is a stay at home mother for their two daughters Janaya and Michelle. Pastor Justis has also been supportive of the conference acting in the capacity of apologist to assist pastors within his conference dealing with controversial and divisive subjects. His main love and passion is to help others and himself to get ready for the coming of the King.
